

Dear Sir/Madam,

My name is Habtamu Bekele Nora. Approximately two months ago, the Ethiopian Women's Trade Association announced a vacancy for which I submitted all the required documents and participated in the interview examination. According to the examination results, I secured first place.

However, approximately one month after the examination, the Board of Committees decided to conduct a Re-Examination without providing a clear explanation of the problem or irregularities that allegedly occurred during the initial examination. Furthermore, the Board scheduled the re-exam date for Friday, the 16th, 2026 @ 5:00 local time.

I respectfully express my concern and disagreement with this decision, as I believe that conducting a Re-Examination without first identifying and transparently explaining the issues surrounding the initial examination raises serious questions about fairness, transparency, and accountability in the recruitment process.

Therefore, I kindly request your office to intervene and suspend the planned Re-Examination until the alleged problems with the initial examination are thoroughly investigated, clearly identified, and communicated to all concerned parties. I believe that such a measure would help ensure a fair, transparent, and credible recruitment process for all applicants.

Thank you for your time, attention, and consideration. I look forward to your positive response and appropriate action regarding this matter.

Yours sincerely
Habtamu Bekele Nora
